To help the public in preparing for the meeting, any written material shall be made available without cost for members of the public asking for a copy prior to the meeting. The Chair may limit the amount of time allowed for each person wishing to make public comment at a Commission meeting. The Chair may ask members of the audience to caucus with others sharing similar positions so they may select a single spokesperson. If a single spokesperson is selected, that individual shall be able to make public comment at the Commission meeting without time limit or an extended time limit. After this point in the agenda public comment is normally not allowed; however, sometimes the Commission may direct questions to members of the public.

²Certain items of business before the Commission are routine matters where no discussion normally occurs or is expected to occur and a consensus for adoption normally occurs or is expected to occur. First, any Consent Item can be removed by request of a member. It is automatically removed if discussed during Public Participation. Second, a motion to adopt the Consent Items can be made, in effect adopting all agenda items still included as Consent Items.
