Powerful presentations, made easy. Take the stress out of presenting. Impressive connectivity options allow for adaptability and ease of use for everyone from a first-time presenter to seasoned speaker. Simply connect and you're ready to project and collaborate. Connect the way you want: The HDMI and USB ports connect quickly to Chromecast, DellCast, Amazon Fire TV Stick, Microsoft Wireless Display, and more without the need of additional cables or software. Multiple ports: Connect to multiple platforms easily including Ultrabooks, notebooks, Chromebooks, tablets and more. Present with the best: With Full HD 1080p resolution, your projector will mirror your 1080p laptop screen. That means no more resizing, rearranged icons or awkwardly sized documents and presentations. Be bold. Be bright. Even in limited lighting situations, the 1850 projector will make your presentations shine in brilliant, Full HD clarity. Shine bright: Full HD projections combined with a bright, 3000 ANSI lumens output bring your presentations to life in any condition. Vivid clarity: From a classroom with natural light to an office with black out curtains the contrast ratio of 2000:1 will light up any room. The big picture: Dazzle your audience with razor sharp imagery with a full HD resolution at 1920x1080 and a 16:9 aspect ratio. Built for your everyday. The Dell 1850 Projector offers thoughtful design features and comprehensive support options that make it easy to enjoy a low total cost of ownership. Built to last Solidperformance at a low price makes the 1850 the most cost effective, long lasting projector in its class. WarrantyProjectors are protected by Dell's 1-year Lamp Warranty and 2-year Advanced Exchange Service. Lamp lifeA long lamp life equals dependable projection. The 1850 offers up to 3.5k hours in "normal mode" and 5 k in
